

Taylor Wiseman & Taylor is a multi-disciplinary civil engineering firm centrally located in the Philadelphia/South Jersey metro area. Our projects range from Government to private sector and include commercial development, residential development, adult active communities, industrial, healthcare facilities and active/passive parks.

The Land Planning and Landscape Architecture department is seeking a skilled and creative Landscape Designer to join our team with a minimum of 2 years' experience.

The successful candidate must:

- Possess a BLA degree in Landscape Architecture
- Have proficient communication skills; written and verbal and thrive in a team environment
- Competent landscape and lighting design abilities, including knowledge of Northeastern plant material
- Possess organizational and time management skills to meet deadlines
- Ability to produce site plan documents, presentation drawings and renderings
- Be proficient in Microsoft Office Suite, AutoCAD, Adobe Creative Suite. Knowledge of Sketchup and Visual Lighting program a plus!

TWT offers competitive salaries and a comprehensive benefits package: medical, dental and vision coverage, disability insurance, life insurance, a 401k program with company matching, paid time off and professional development assistance.
